What is the rental count per category for family films ?

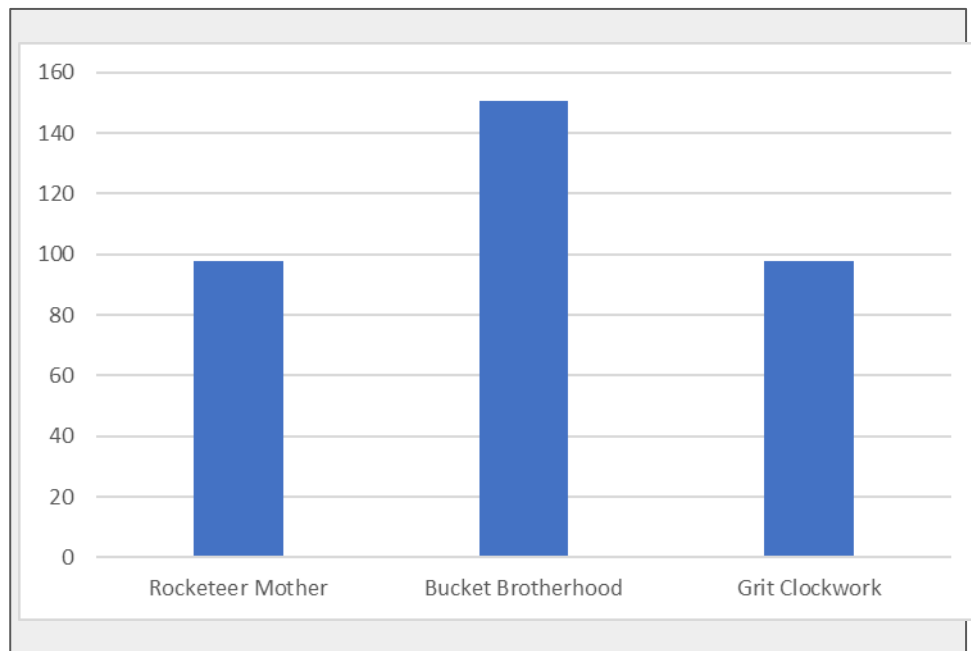

Animation is the category with the highest rental count and Music is the category with the lowest rental count for family films.

Whats the amount of films in each standard quartile for each film family-category? (Standard quartile based on rental duration)

category_name	1	2	3	4	Totaal
Animation	22	12	15	17	66
Children	14	18	14	14	60
Classics	14	15	12	16	57
Comedy	17	15	13	13	58
Family	15	17	20	17	69
Music	9	13	16	13	51
Totaal	91	90	90	90	361

Based on table we see that animation has the most films in the first quartile (short rental duration) and Family has the most films in the third quartile

What is the total payment amount of the top 3 rented movies

Bucket Brotherhood is the most rented movie with a total revenue of 157\$, followed by Rocketeer Mother and Grit clockwork
